ACCOMMODATION GUIDE

For further information on Norfolk Island, please visit:
www.welcometonorfolkisland.com

Welcome to NORFOLK ISLAND

ACCOMMODATION GUIDE

Norfolk Island is a 2 -3 hour flight from Brisbane or Sydney and a 1.5 hour flight from Auckland. The eroded remnants of a basaltic volcano active over 2 million years ago, leaves the Island approximately 8 kilometres x 5 kilometres in size and boasting 32kms of coastline. Even though the Island is small, you'll want to visit us again to make sure you see all of it. And why wouldn't you when it is the home to 1800 of some of the friendliest people this side of the equator?

In 2010 Norfolk Island's Kingston and Arthur's Vale Historic Area, locally known as KAVHA, was inscribed on the World Heritage List as one of 11 sites forming the Australian Convict Sites Inscription.

There are over 60 accommodation properties on Norfolk Island giving every visitor a range of styles to choose from. Whether you want to live it up in luxury, look out over the sea, have stunning valley views, or require something on a more modest budget Norfolk has an option for you. Most accommodation on Norfolk Island is AAA graded, keeping it up to the standard expected and found in Australia. There are many boutique family run properties offering friendly hospitality and modern facilities. Norfolk also offers resorts and hotels that can cater for your every need.

To book your holiday, or if you are already planning your next visit whilst on the island, contact any of the properties listed in this accommodation section or visit your local travel agent.
